

#### Wessex Kidney Centre's PITHIA Journey

PITHIA Wave 2 Launch Party

1st March 2019

Mr Paul Gibbs
Renal Transplant and Access Surgeon
Wessex Kidney Centre
QAH, Portsmouth

## I do have one disclaimer.....

.....we haven't actually requested a biopsy yet!

### Plan

- Why we think it's good?
- What have we discussed?
- What have we done?
- How we intend to use PITHIA?
- What are our concerns?

## Why we think it's good?

## Why we think it's good?

**Table 4.2** compares individual centre offer decline rates for ECB over time. Nationally, the number of offers have increased, as has the offer decline rate (56% in 2015 16 to 63% in the first half of 2018/19).

### What have we discussed?

### What have we discussed?

- What to tell the patients?
  - Consent?
- Double transplants Y/N?
- Which kidneys to biopsy?
  - Let's not become American!
- What will happen to our CITs?

## What have we done?

## What have we done?

## National Histopathology Service for Transplantation

#### The PITHIA Trial

A stepped-wedge cluster registry randomised trial

## What have we done?

- Informed the TxCOs
- Informed the patients
- Discussed as a consultant team

Pre-Implantation Trial of Histopathology In renal Allografts

> BETTER QUALITY **ASSESSMENT IN** TRANSPLANTATION

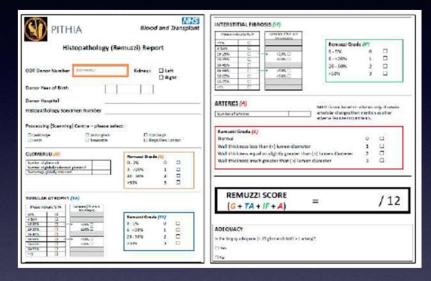

UNIVERSITY OF Cambridge University CAMBRIDGE Hospitals Hospitals NHS Foundation Trust

PITHIA Information Sheet v1.1 2018 06 08

# How do we intend to use PITHIA?

# How do we intend to use PITHIA?

Increase kidney utilisation

- Only biopsy kidneys we would otherwise decline
- Use it to re-open and drive a "science" based double transplant programme

## What are our concerns?

### What are our concerns?

- CITs risk increasing it in the kidneys most susceptible to CIT
- Remuzzi scores or 5/6
  - Who should we tell?
- How to get the 2nd kidney if we want it?
- Who would we double transplant?

## And finally.....

# Check your offer/acceptance criteria!!

## Thanks
